

## MITSUBISHI MUNI HEAT PUMP PROGRAM

**NEXTZERO**  
EXPERIENCE WHAT'S NEXT

Between  
\$30 and  
\$3,300\*  
in savings per  
year!

\*Savings estimate based on customers who use oil, natural gas, propane, or electric baseboard heating.

Heat pumps are an efficient and clean way to increase comfort in your home and save on your bills.

Heating oil, natural gas, propane, and electric baseboard customers who switch to cold climate heat pumps could see significant annual savings.

As part of Marblehead Municipal Light Department's (MMLD's) efforts to promote clean home heating and cooling alternatives for residents in Massachusetts, Mitsubishi is offering MMLD customers special pricing on the purchase of a cold climate heat pump.

A copy of your MMLD bill is required to receive your incentives. This is a limited time offer available through **December 31, 2022** or until funds are exhausted. Projects with an installation date of **January 1, 2022** or later are eligible. Visit [www.NextZero.org/Marblehead](http://www.NextZero.org/Marblehead) for details.

### HOW TO RECEIVE YOUR INCENTIVE

**Step One:** Visit [Mitsubishicomfort.com](http://Mitsubishicomfort.com) and select "Get Started."

**Step Two:** Click on "Find a Contractor" and enter your zip code for a list of qualifying Mitsubishi Diamond Contractors.

**Step Three:** Contact your contractor to find out what equipment qualifies and which system design is right for your family's home.

**Step Four:** Work with your contractor to complete the installation and receive a \$300 to \$600 discount off the price of new heat pumps.

**Step Five:** After your installation, visit [www.NextZero.org/Marblehead](http://www.NextZero.org/Marblehead) to apply for a rebate from MMLD for a total rebate and discount of up to \$1,200.
